

Western Australia's Seniors – Active Ageing Benchmark Indicators 2006

Feedback Form

The Office for Seniors Interests and Volunteering would welcome your feedback on the *Western Australia's Seniors – Active Ageing Benchmark Indicators*. It would be appreciated if you would take a few minutes to complete this questionnaire (tick the appropriate responses), then please fold and seal the questionnaire and return it to the reply paid address on the front.

1. How much of the report did you read?
 All Most Some A little None

2. Was the information contained in the report:
 - a. Easy to understand? Yes No
 - b. Useful to you or your organisation? Yes No

3. The aim of this document was to report on benchmark indicators to measure the status of active ageing among Western Australia's seniors.
 - a. To what extent did we achieve this aim?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Totally, or very large extent	Fairly large extent	Medium extent	Fairly small extent	Very small extent, or not at all

 - b. If you thought this was achieved to a *fairly small extent* or *very small extent*, or *not at all*, why is that?

5. Do you think there are any other indicators that should be included in the report?
If yes, please list the indicators and data source(s).

Thank you for taking the time to provide your feedback.
Please fold the questionnaire, tape it and return to the reply paid address.

No postage stamp is required.

(Tape closed)

No stamp required
if posted in Australia
