

UNIFEM Australia WA Chapter and the Young UNIFEM Australia Perth Committee invite you to attend their

## SPRING WALK

Over 1 billion people now live on less than one dollar per day with the majority of these being women. Additionally, the Food and Agricultural Organisation of the United Nations (FAO) predict that the number of undernourished people in the world will climb to 1.02 billion, the majority of which are women and children. With the impacts of global climate change, these numbers may rise in the future.

UNIFEM Australia's Spring Campaign seeks to raise awareness of this vital issue through a national campaign which will raise funds for a project in Liberia which promotes food security for women.

When: Sunday 20<sup>th</sup> September  
Time: 10 AM  
Where: Registration from 9:45 AM at Arthur Fairall Playground adjacent to Western Power Parkland, May Drive, Kings Park  
Cost: \$10 per person or gold-coin donation for children.  
**Includes morning tea after the walk.**

For more information on the UNIFEM Australia Spring Campaign visit [www.unifem.org.au](http://www.unifem.org.au).
